September 1, 2022

Dear Valued Patient,

We are excited to announce that effective October 1, 2022, the Colon and Rectal Clinic of Orlando will join Orlando Health.

Our team is excited to join the Orlando Health family, which has a strong history of providing exceptional quality care to the communities it serves. We have worked closely with the healthcare organization for over 40 years as their primary colon and rectal surgical group. We recently collaborated with the Orlando Health Cancer Institute to earn a three-year accreditation from the National Accreditation Program for Rectal Cancer (NAPRC). Only 62 centers in the nation and we are one of 7 in Florida who have received this accreditation, demonstrating our commitment to excellence.

For you, our patient, this means that we will be able to continue to grow and enhance patient access to innovative and quality care, building on our more than 40 years of service to this area. You still will have access to the same doctors and staff at our current locations, who look forward to continuing to provide you with comprehensive and compassionate care.

Should you have any questions or concerns or need to schedule an appointment, please contact us at (407) 422-3790.

Thank you for the privilege of allowing us to continue to serve your healthcare needs.

Sincerely,

Paul Williamson, M.D., Andrea Ferrara, M.D., Joseph Gallagher, M.D., Samuel DeJesus, M.D.,

Renee Mueller, M.D., Joshua Karas, M.D., Marco Ferrara, M.D.
